

## Flow by TeleVet: A Proven Solution

*A by-the-numbers look at how Flow by TeleVet helps veterinary teams save time, increase capacity, and boost revenue.*

### Time-tested and proven effective

**400K**

400,000 appointments are scheduled in Flow each month.

**25M**

Flow helps to manage the care of 25 million pets.

**1M**

Flow handles more than 1 million automated workflows and 7 million texts each year.

**350K**

Over 350,000 digital forms have been submitted through Flow.

**4.5/5**

Users give Flow a 4.5/5 satisfaction rating.

### Increase capacity and boost revenue

**\$850** Per/mo.

Clinics save an average of \$850/month – or more than \$10k/year – in processing fees using our Payments solution

**21%**

Clinics using Flow had 21% more monthly visits than clinics that don't use Flow.

**\$30K**

Flow saves clinics an average of nearly \$30,000 in no-show appointments.

**104%**

Clinics using Flow increased confirmed appointments by 104% in their first year.

### Get more done in less time (with less stress)

**70%**

Clinics that use Flow can reduce call volume by up to 70%.

**30 Min.**

Flow helps clinics save an average of 30 minutes per appointment. (That adds up to 2,800 hours per veterinarian per year.)
